

WARRANTY AND MAINTENANCE MANUAL J00

Important

This manual contains warranties for two markets: (a) The United States (territory covered by MMSA) and (b) U.S. territories and possessions except Puerto Rico and the U.S. Virgin Islands. Please read the warranty that applies to your location.

(a) For the United States (territory covered by MMSA):

Limited warranty → Refer to pages 2 to 22.

(b) For U.S. territories and possessions except Puerto Rico and the U.S. Virgin Islands:

Limited warranty → Refer to pages 23 to 29.

The maintenance schedule applies to both markets. Good maintenance is a great way to protect your investment and ensure proper performance. For information on correct maintenance, refer to pages 30 to 50.

NEW VEHICLE LIMITED WARRANTY

WHAT IS COVERED

BASIC COVERAGE AND TERM

For the first 3 years or 36,000 miles, whichever occurs first, any part of this Vehicle supplied by MMSA (except batteries, tires and items listed under the headings "OTHERS", "ADDITIONAL COVERAGE" and "WHAT IS NOT COVERED"), which proves defective in normal use will be repaired or replaced by any Authorized Mitsubishi Motors Dealer or Authorized Service Center, using new or remanufactured Authorized Mitsubishi Motors parts.

NOTE:

Aftermarket parts or accessories not supplied by MMSA are **NOT** covered by this warranty.

Upon expiration of the 3 year/36,000 mile Basic New Vehicle Limited Warranty, MMSA will continue this Limited Warranty to the Powertrain Components and Restraint System Components listed below, up to a maximum of the 60,000 miles within 5 years, from the warranty start date.

POWERTRAIN COMPONENTS:

ENGINE

- Cylinder Block and Internal Parts
- Cylinder Head Assemblies and Gaskets
- Engine Mounts

4

- Valve Cover
- Timing Belt and Related Parts
- Dual Engine Stabilizers
- Stabilizer belt and Related Parts
- Oil Pan
- Oil Pump
- Intake Manifold
- Water Pump
- Fuel Pump
- Flywheel or Drive Plate (Including Ring Gear)

TRANSAXLE/TRANSMISSION AND TRANSFER CASE

- Transaxle Case and All Internal Parts, Gaskets and Seals
- Transmission Case and All Internal Parts, Gaskets and Seals
- Transfer Case and All Internal Parts, Gaskets and Seals
- Torque Converter (Including Ring Gear)
- Transaxle, Transmission and Transfer Mounts

OTHER POWERTRAIN COMPONENTS

- Drive Shaft and Axle Shaft Assemblies (Including Constant Velocity Joints)
- Propeller Shaft Assemblies and Yokes (Including Constant Velocity Joints and/or Universal Joints)
- Propeller Shaft Center Bearings
- Axle Housing and All Internal Parts, Gaskets and Seals
- Axle Shaft Bearings
- Differential Carrier Assemblies and All Internal Parts, Gaskets and Seals

NEW VEHICLE LIMITED WARRANTY

RESTRAINT SYSTEM

- Seat Belt Systems
- Air Bag Systems

COVERAGE APPLICATION

This coverage applies to all owners of this Vehicle during the stated time and mileage limitations. This Limited Warranty applies only to MMSA passenger car and sport utility vehicles registered and normally operated in the 50 United States and Washington, D.C.

BATTERY

During the first 2 years, with unlimited mileage, a defective original equipment battery will be replaced free of charge. Should the battery fail after 24 months but before the 37th month of service, it will be replaced under warranty at a 50% charge to the customer. A battery that is merely discharged is not considered defective.

OTHERS

The following factory installed items are covered under warranty for 1 year or 12,000 miles, whichever occurs first (excluding normal wear and tear).

- Brakes (Pads, Linings, Shoes)
- Wiper Blades
- Clutch Disc

TIRES

The tires on your new MMSA Vehicle are warranted independently from this limited warranty by the individual tire manufacturer. The individual tire manufacturer's warranty statement has been provided with your Vehicle. To obtain tire warranty service, you must follow the procedures outlined in the tire warranty statement.

ADDITIONAL COVERAGE

Air Conditioners

Authorized Mitsubishi Motors air conditioners (except refrigerant) are warranted by MMSA for 3 years or 36,000 miles, whichever occurs first, from the warranty start date or the installation date, whichever is later.

Air Conditioner Refrigerant Charge

The air conditioner refrigerant charge is covered for 1 year or 12,000 miles, whichever comes first. After that, refrigerant charge is only covered as part of warranty covered repair to the air conditioning system.

WHAT IS NOT COVERED**ALTERATION, MISUSE, OR ACCIDENT DAMAGE**

Examples are:

- Any Vehicle previously declared a total loss and/or transferred or title branded as salvage, due to an accident or other catastrophic event
- Collision, fire, theft, freezing, vandalism, riot, explosion, or objects striking the vehicle
- Misusing the vehicle, such as, but not limited to, driving over curbs, overloading, racing, or using the vehicle as a stationary power source
- Alteration or modification of the vehicle, including, but not limited to, the body, chassis, braking system or other components
- Tampering with the emissions systems or with other parts that affect these systems
- Disconnecting or altering the odometer, where the actual mileage cannot be determined
- Contaminated or improper fuel/fluids
- Damage due to customer-applied chemicals (For example: Abrasive waxes, Polishes, Sealants, etc.)

DAMAGE CAUSED BY USE AND/OR THE ENVIRONMENT

Examples are:

- Air borne fallout
- Industrial fallout

- Chemicals
- Acid rain
- Tree sap
- Bird droppings
- Sand
- Salt
- Stones
- Road hazards
- Hail
- Insects
- Lightning
- Floods

DAMAGE CAUSED BY IMPROPER MAINTENANCE OR FAILURE TO FOLLOW THE RECOMMENDED MAINTENANCE SCHEDULE

The repair of damages which are in fact caused because parts or service used were not those prescribed in the Owner's Manual's recommended maintenance schedule. Maintenance services are not covered under warranty as it is the owner's responsibility to maintain your Vehicle as more fully set forth in, and in accordance with, the maintenance schedules outlined in the Owner's Manual.

MAINTENANCE / WEAR

Parts and labor needed to maintain the vehicle and the replacement of parts due to normal wear and tear are not covered by warranty and are the owner's responsibility (unless those costs result from a covered repair).

- Brake pads/shoes
- Clutch disc facings

- Wiper blades
- Lubrication
- Engine tune-ups
- Replacing filters, coolant or fuses
- Replacing spark plugs (after the first scheduled replacement)
- Cleaning and polishing

PAINT AND OTHER APPEARANCE ITEMS

Defects in paint, trim or other appearance items are normally noted and corrected during the new vehicle inspection. For your protection, should you find any paint or appearance item which you suspect is defective, advise your Authorized Mitsubishi Motors Dealer without delay, as normal deterioration due to use and exposure is not covered by this warranty.

WARRANTY REPAIR ORDER

If you should have warranty service performed on this Vehicle, you are entitled to receive a copy of the repair order listing the warranty service performed. **RETAIN THESE COPIES FOR YOUR RECORDS.**

PRODUCTION CHANGES

MMSA and its Authorized Mitsubishi Motors Dealers reserve the right to make changes in Vehicles sold by them at any time without incurring any obligation to make the same or similar changes on Vehicles previously sold by them.

TOWING

Should your MMSA Vehicle become inoperable due to a warrantable failure during the first 3 years or 36,000 miles, MMSA will authorize the Vehicle to be towed to the nearest Authorized Mitsubishi Motors Dealer or Authorized Service Center at no charge. Contact the nearest Authorized Mitsubishi Motors Dealer or Authorized Service Center to make arrangements. Towing will not be covered if your Vehicle is driveable and driving would not pose a safety problem or cause further damage to the Vehicle. Towing will not be covered if your Vehicle is inoperable as a result of an accident, owner abuse, lack of maintenance, or driver error.

Towing beyond the 3 years or 36,000 miles limit will still be considered a covered condition if the problem that caused the need for the tow is still covered under an applicable MMSA warranty such as for a power train or emission's warranty covered component. Covered towing conditions beyond 3 years or 36,000 miles, whichever occurs first, will be reimbursed by your servicing Mitsubishi Motors Dealer or Authorized Service Center.

OTHER

Incidental or consequential damages such as loss of use of Vehicle, loss of time, inconvenience, expense for gasoline, telephone, travel or lodging, loss or damage to personal property, commercial loss of revenue or other matters not specifically included are not covered.

NEW VEHICLE LIMITED WARRANTY

ANTI-CORROSION PERFORATION LIMITED WARRANTY

MMSA warrants to the owner of each 2000 MMSA Vehicle that any Authorized Mitsubishi Motors Dealer or Authorized Service Center will repair or replace at no charge any body sheet metal panel found to have developed perforation (metal rust-through) due to corrosion in normal use. This warranty begins on the date of original retail delivery or original use whichever occurs first, and extends for 3 years regardless of mileage.

In addition, outer panel rust-through protection coverage is extended as follows:

- New 2000 Vehicles are covered for 7 years or 100,000 miles, whichever occurs first.

It is the owner's responsibility under the terms of this warranty to maintain the Vehicle as specified in this booklet and in the Owner's Manual.

NOTE:

This anti-corrosion perforation warranty covers perforation due to corrosion only. Perforation means a rust-through condition, such as an actual hole in a sheet metal panel.

This warranty applies to Vehicles registered and normally operated in the 50 United States and Washington, D.C.

WARRANTY DOES NOT COVER:

- Corrosion due to accident, damage, abuse, abnormal use, Vehicle alteration or failure to properly maintain this Vehicle
- Payments for loss of use of the Vehicle during warranty repairs
- Surface corrosion, such as that caused by industrial fall-out, sand, salt, hail and stones
- Corrosion due to extensive and/or abnormal transportation of corrosive material such as, but not limited to, chemicals, acid, fertilizer
- Corrosion other than perforation (metal rust-through) due to defects in material or workmanship that is otherwise covered by the 3 years or 36,000 miles MMSA New Vehicle Limited Warranty
- The section titled "OTHER TERMS" stated in the MMSA New Vehicle Limited Warranty also applies to this limited warranty.

NEW VEHICLE LIMITED WARRANTY

THINGS YOU SHOULD KNOW ABOUT YOUR MMSA ANTI-CORROSION PERFORATION LIMITED WARRANTY:

REPAIRING YOUR MMSA VEHICLE

If your Vehicle is damaged and requires sheet metal repair or replacement, be sure anti-corrosion materials are applied to the parts repaired or replaced.

MAINTAINING YOUR MMSA VEHICLE

Washing:

The best way to preserve your Vehicle's finish and aid in avoiding rust is to keep the Vehicle clean by washing it frequently. Wash the Vehicle only with lukewarm or cold water. Do not wash the Vehicle in the direct rays of the sun, or use strong soap or chemical detergents. Any cleaning agents used should be washed off promptly and not allowed to dry on the finish.

Foreign Material Deposits:

Calcium chloride and other salts, ice melting agents, road oil and tar, tree sap, bird droppings, chemicals from industrial chimneys, acid rain, and other foreign matter may damage the Vehicle finish if left on the painted surfaces. Prompt washing may not completely remove all these deposits. Additional cleaners may be needed. When using chemical cleaners developed for this purpose, be sure they are safe for use on painted surfaces.

Underbody Maintenance:

Corrosive materials used for ice removal and dust control can collect on underbody surfaces. If these materials are not removed, accelerated corrosion can occur on the underbody parts, such as fuel lines, frame, floor pan and exhaust system. At least twice a year, thoroughly flush these materials from the underbody with plain water. Take care to clean any areas where mud and other debris can collect.

Finish Damage:

Any stone chips, fractures or deep scratches in the finish should be repaired promptly. Bare metal will corrode quickly and can develop into a major repair expense. Minor chips and scratches can be repaired with touch-up materials available from your Authorized Mitsubishi Motors Dealer or Authorized Service Center.

OTHER TERMS

THIS WARRANTY IS THE ONLY EXPRESS WARRANTY MADE BY MMSA APPLICABLE TO THIS VEHICLE. ANY IMPLIED WARRANTY APPLICABLE TO THIS VEHICLE IS LIMITED IN DURATION TO THE LENGTH OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives the owner specific legal rights and the owner may also have other rights which vary by state.

FEDERAL EMISSION WARRANTY

FEDERAL EMISSION CONTROL SYSTEM DEFECT WARRANTY

MMSA warrants to the owners of each new 2000 MMSA Vehicle, (1) that the Vehicle, was designed, built and equipped so as to conform at the time of sale to applicable regulations of the National Emission Standards Act, as amended, and (2) the Vehicle is free from defects in material and workmanship at the time of sale which would cause the Vehicle to fail to conform with such regulations for a period of 3 years or 36,000 miles, whichever occurs first. MMSA additionally warrants the Engine Control Module, Catalytic Converter(s) and Onboard Emission Diagnostic Device for 8 years or 80,000 miles, whichever occurs first.

Any part of this Vehicle covered under this limited emission defect warranty and which proves to be defective will be repaired or replaced at no charge by any Authorized Mitsubishi Motors Dealer or Authorized Service Center, using new or remanufactured Authorized Mitsubishi Motors Parts. The limited warranty period begins on the date of original retail delivery or original use, whichever occurs first. This limited emission defect warranty shall not apply to parts other than Authorized Mitsubishi Motors Parts.

FEDERAL EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY

Some states and local jurisdictions have established periodic vehicle inspection and maintenance (I/M) programs to encourage proper maintenance of your Vehicle. If an I/M Program in your area has EPA approval, you may be eligible for MMSA's performance warranty coverage under the following conditions:

1. **The Vehicle has been maintained and operated in accordance with the scheduled maintenance instructions described in the Owner's Manual provided with your Vehicle.**
2. **The Vehicle fails to conform for a period of 2 years or 24,000 miles, whichever occurs first, to the applicable emission standards of the U.S. Environmental Protection Agency, as judged by an EPA approved I/M Test.**
MMSA additionally warrants the Engine Control Module, Catalytic Converter(s) and Onboard Emission Diagnostic Device for 8 years or 80,000 miles, whichever occurs first.
3. **The failure to conform results, or will result, in the owner of the Vehicle having to bear a penalty or other sanctions, including the denial or the right to use the Vehicle under local, state or federal law.**

FEDERAL EMISSION WARRANTY

If all the foregoing conditions are met, MMSA warrants that any Authorized Mitsubishi Motors Dealer or Authorized Service Center will replace, repair or adjust to MMSA's specifications at no charge, any of the components listed below or parts thereof, which may be necessary to cause your Vehicle to conform to the applicable emission standards. Parts "Certified to EPA Standards" shall be covered by this performance warranty. This performance warranty period begins on the date of original retail delivery or original use, whichever occurs first.

NOTE:

Vehicles equipped with a California Certified Emission Control System and registered in the states of California, Massachusetts or Vermont are also entitled to the California Emission Warranty. (See page 14 of this booklet.)

EMISSION WARRANTY PARTS

- Multiport Fuel Injection System
- Electronic Spark Control
- Timing Advance/Retard System
- Evaporative Emission Canister, Evaporative Emission Liquid Separator and Controls
- Positive Crankcase Ventilation Valve
- Induction Control Valve Assembly
- Exhaust Gas Recirculation Valve and Control System
- Catalytic Converters
- Fuel Tank Filler Tube and Cap
- Hoses, Clamps, Brackets, Pipes, Gaskets, Belts, Seals and Connectors used in the above systems
- Vacuum, Temperature, Altitude, Speed and Time Sensitive Valves and Switches for the above systems
- Any other components necessary to assure conformity.

If failure of one of these components results in failure of another part, both will be covered by the performance warranty.

WHAT IS NOT COVERED

- Noncompliance caused by defective replacement parts not certified in accordance with aftermarket parts certification regulations.
- Noncompliance caused by the use of replacement parts not equivalent to original equipment parts.

Other provisions specified under the "WHAT IS NOT COVERED" section in the New Vehicle Limited Warranty are also applicable to this warranty.

FEDERAL EMISSION WARRANTY

THE EMISSION CONTROL SYSTEM DEFECT WARRANTY AND THE EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Conditions resulting from contaminated fuel, misuse, improper adjustments, modifications, accidents, alterations, tampering, acts of God, improper or inadequate maintenance, or failure to use recommended fuel
- The replacement of maintenance parts used in regular maintenance services
- Loss of time, inconvenience, loss of use of the Vehicle, or other consequential damages
- Any Vehicle on which the odometer reading has been changed so that mileage cannot be readily determined.

MMSA does not authorize any person to create for it any other obligations or liability in connection with these systems. These warranties are in addition to MMSA's New Vehicle Limited Warranty for 2000 Vehicles.

THINGS YOU SHOULD KNOW ABOUT BOTH THE EMISSION CONTROL SYSTEM DEFECT WARRANTY AND THE EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY

The emission control system of your new 2000 MMSA Vehicle was designed, built and tested using Authorized Mitsubishi Motors Parts and the Vehicle is certified as being in conformity with applicable emission regulations. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new or remanufactured Authorized Mitsubishi Motors Parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PART. THE OWNER MAY ELECT TO USE NON-AUTHORIZED MITSUBISHI MOTORS PARTS FOR REPLACEMENT PURPOSES. THE USE OF REPLACEMENT PARTS WHICH ARE NOT EQUIVALENT MAY IMPAIR THE EFFECTIVENESS OF EMISSION CONTROL SYSTEMS.

If other than Authorized Mitsubishi Motors Parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should determine that such parts are warranted by the manufacturer to be equivalent to Authorized Mitsubishi Motors Parts in performance and durability.

12

FEDERAL EMISSION WARRANTY

MAINTENANCE REPLACEMENT OR REPAIR OF THE EMISSION CONTROL DEVICES AND SYSTEMS MAY BE PERFORMED BY ANY QUALIFIED AUTOMOTIVE REPAIR ESTABLISHMENT OR INDIVIDUAL USING ANY PART CERTIFIED PURSUANT TO APPLICABLE EMISSION REGULATIONS; HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED MITSUBISHI MOTORS DEALER OR AUTHORIZED SERVICE CENTER.

Claims under the Emission Control Systems Performance Warranty may not be denied due to the failure of a properly installed certified non-Authorized Mitsubishi Motors Part.

Receipts covering the performance of maintenance services should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this Vehicle. MMSA reserves the right to deny warranty coverage if the Vehicle has not been properly maintained. However, denial will not be based solely on the absence of maintenance records.

These warranties apply only to Vehicles manufactured to United States specifications and registered and normally operated in the 50 United States and Washington, D.C. Vehicles manufactured to other specifications or registered and normally operated elsewhere, shall be entitled to service of emission control systems on the basis of the warranty applicable to such other country or territory.

To obtain warranty service under these warranties, the owner should return the Vehicle to an Authorized Mitsubishi Motors Dealer's or Authorized Service Center's place

of business where such service will be performed at no charge for parts and labor.

If an owner's warranty claim under the 2000 Emission Control Systems Performance Warranty is denied, MMSA will provide the owner with a written explanation of why the claim was denied within 30 days unless a shorter time period is required by law. Failure to provide an explanation within the required period may obligate MMSA to remedy the nonconformity under the Emission Control Systems Performance Warranty except:

- When delay is requested by the vehicle owner.
- When delay is caused by factors beyond the control of MMSA or Authorized Mitsubishi Motors Dealers or Authorized Service Centers.

Further information can be obtained from and complaints registered with:

Manager, Vehicle Compliance Programs Group
Vehicle Programs and Compliance Division
Environmental Protection Agency
401 "M" Street, S.W.
NMS-6405J
Washington, D.C. 20460

NOTE:

"New or Remanufactured Authorized Mitsubishi Motors Parts" when used in connection with MMSA Vehicles, means parts manufactured by or approved by MMSA, designed for use on MMSA Vehicles and distributed by MMSA or any division or subsidiary of MMSA.

13

"CALIFORNIA" EMISSION WARRANTY

FOR ALL JURISDICTIONS THAT HAVE ADOPTED CALIFORNIA EMISSION CONTROL SYSTEMS AND WARRANTY REQUIREMENT.

"CALIFORNIA" EMISSION WARRANTY

YOUR WARRANTY RIGHTS AND OBLIGATIONS

Mitsubishi Motor Sales of America, Inc. ("MMSA") is pleased to explain the emission control system warranty on your 2000 Mitsubishi Motors vehicle (the "Vehicle"). In California, Massachusetts, Vermont and New York^{*1}, new motor vehicles must be designed, built and equipped to meet California's stringent anti-smog standards.

"MMSA" warrants the emission control system on your Vehicle for the periods of time listed below, provided there has been no abuse, neglect or improper maintenance of your Vehicle.

Your emission control system may include parts such as the fuel-injection system, the ignition system, catalytic converter, and engine control module. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, MMSA will repair your Vehicle at no charge to you including diagnosis, parts and labor.

^{*1}: The 2000 Model Year vehicles sold in New York, will be covered by the Federal Emission Warranty.

14

MANUFACTURER'S WARRANTY COVERAGE:

1. For 3 years or 50,000 miles, whichever occurs first:

- (1) If your Vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by MMSA to ensure that your Vehicle passes the inspection. This is your emission control system **PERFORMANCE WARRANTY**.
- (2) If any emission-related part on your Vehicle is defective, the part will be repaired or replaced by MMSA. This is your short-term emission control system **DEFECTS WARRANTY**.

2. For 7 years or 70,000 miles, whichever occurs first:

- (1) If your Vehicle fails a Smog Check inspection due to the failure or malfunction of an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles, the part will be repaired or replaced by MMSA. This is your Long-term (1) emission control system **PERFORMANCE WARRANTY**.
- (2) If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by MMSA. This is your Long-term (1) emission control system **DEFECTS WARRANTY**.

"CALIFORNIA" EMISSION WARRANTY

3. For 8 years or 80,000 miles, whichever occurs first, the Federal Emission Warranty also applies to Vehicles registered in California, Massachusetts and Vermont:

If an emission-related part listed in this warranty booklet specially noted with coverage for 8 years or 80,000 miles is defective, the part will be repaired or replaced by MMSA. This is your Long-term (2) emission control system warranty.

OWNER'S WARRANTY RESPONSIBILITIES:

As the Vehicle owner, you are responsible for the performance of the required maintenance listed in this booklet. MMSA recommends that you retain all receipts covering maintenance on your Vehicle, but MMSA cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Vehicle to an Authorized Mitsubishi Motors Dealer or Authorized Service Center as soon as a problem exists.

The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the Vehicle owner, you should also be aware that MMSA may deny you warranty coverage if your Vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact MMSA's Customer Service Department at 1-800-222-0037 or if in California, the California Air Resources Board, P.O. Box 8001 at 9528 Telstar Avenue, EL Monte CA 91734-8001.

WARRANTY START DATE:

The 3 years/50,000 miles, 7 years/70,000 miles and 8 years/80,000 miles warranty periods shall begin on the date of original retail delivery or original use, whichever occurs first.

"CALIFORNIA" EMISSION WARRANTY

CALIFORNIA VEHICLE INSPECTION PROGRAM:

If the Vehicle fails an emission test conducted under the Smog Check Program, it should be brought to an Authorized Mitsubishi Motors Dealer or Authorized Service Center for appropriate service. The owner will not be charged for the adjustments, repair or replacement of parts, including diagnosis, necessary to make the Vehicle pass the Smog Check test for 3 years or 50,000 miles, whichever occurs first.

After the 3 years or 50,000 miles performance warranty period has passed, a Smog Check test failure due to a defect in a part which is warranted for 7 years or 70,000 miles is covered.

MMSA additionally warrants the Engine Control Module, Catalytic Converter(s) and Onboard Emission Diagnostic Device for 8 years or 80,000 miles, whichever occurs first. If as the result of a vehicle inspection failure the owner elects to have the vehicle repaired at an independent service outlet, MMSA will not reimburse the owner for service performed by the independent service outlet unless such work is deemed an "EMERGENCY SERVICE" and the repair is a covered item under the terms of the Emission Control Warranty. (See topic "EMERGENCY SERVICE").

WARRANTY SERVICE:

To obtain warranty service, the owner must return the Vehicle to any Authorized Mitsubishi Motors Dealer's or Authorized Service Center's place of business where such service will be performed at no charge to the owner. In case of emergency, see EMERGENCY SERVICE instructions. If you are not notified by the dealer within 30 days that the repair is not covered under warranty, then MMSA must repair the Vehicle free of charge. In addition, the owner should take a copy of the Smog Check test printout to the dealer when obtaining warranty service.

EXCLUSIONS:

This Warranty shall not apply to failures caused by abuse, neglect or improper maintenance. Nor shall this Warranty apply to any vehicle on which the odometer mileage has been altered so that the Vehicle's actual mileage cannot be determined. **Vehicles registered in states other than in California, Massachusetts and Vermont shall be entitled to the emission control system warranty issued pursuant to the Federal Clean Air Act.** This Warranty and any other warranties otherwise expressed under applicable California emissions laws and regulations are the only warranties in addition to the standard MMSA Warranty in the warranty statement applicable to the Vehicle, and are EXPRESSLY IN LIEU OF ANY WARRANTY OR CONDITIONS IMPLIED IN LAW PERTAINING TO EMISSION OR EMISSION CONTROLS SYSTEMS. No dealer, or any agent or employee thereof, is authorized to extend or enlarge this warranty.

16

"CALIFORNIA" EMISSION WARRANTY

DEFECT WARRANTY:

MMSA warrants to the owner that the Vehicle certified for sale in California, Massachusetts or Vermont is designed, built and equipped to conform with all applicable regulations adopted by the California Air Resources Board. For the 3 years/50,000 miles, whichever occurs first, Defects Warranty, if any part which can affect emissions fails, MMSA will repair or replace it at an Authorized Mitsubishi Motors Dealer or Authorized Service Center. Any other parts damaged by the failure of a defective part will also be repaired or replaced. Listed below are some of the parts covered by the warranty. The parts shown with the asterisk (*) are covered for specific models under the 7 years/70,000 miles Emission-Related Parts Warranty Long Term (1) and additionally, the 8 years/80,000 miles Emission-Related Parts Warranty Long Term (2). The repair and/or replacement described above will be made at no charge to the owner including diagnosis. The defects warranty coverage shall apply until the first scheduled replacement point specified by MMSA for any part listed below, and shall apply for the remaining warranty period of any such part repaired or replaced under warranty. Where no replacement point is specified, the coverage shall apply for the warranty period identified under the section entitled "Manufacturer's Warranty Coverage" of this warranty statement.

- Crankshaft Position Sensor
- Camshaft Position Sensor
- Fuel Pressure Regulator
- *Throttle Body
- *Air Flow Sensor

- *Intake Manifold
- *Onboard Emission Diagnostic Device
- *Induction Control Valve Assembly
- Knock Sensor
- Fuel Tank Filler Tube and Cap
- Positive Crankcase Ventilation Valve
- Evaporative Emission Canister and Control System
- Fuel Filter/Evaporative Emission Separator
- Exhaust Gas Recirculation Valve and Control System
- Ignition Coil(s), High Voltage Wires and Boots
- *Exhaust Pipe between Exhaust Manifold(s) and Catalytic Converter
- Vacuum Hoses, Clamps, Fittings and Tubing used with the above components and systems
- *Engine Control Module used with the above systems
- *Transmission Control Module
- Oxygen Sensor(s) used with the above systems
- Control Relay, Registers and Solenoids used with above systems
- Oil Filler Cap
- *Catalytic Converter(s)
- *Exhaust Manifold(s)
- Fuel Injectors
- *Distributor
- Spark Plugs
- *Fuel Tank
- Vacuum Sensor(s) used with the above systems
- Temperature Sensors used with the above systems

17

"CALIFORNIA" EMISSION WARRANTY

Listed below is an additional part warranted against defects in materials and workmanship for 7 years or 70,000 miles, whichever occurs first, for the Mirage 1.5 L, Galant 3.0 L, Eclipse 3.0L, and Diamante.

- Distributor

Listed below is an additional part warranted against defects in materials and workmanship for 7 years or 70,000 miles, whichever occurs first, for the Mirage 1.8L, Galant 3.0 L, Eclipse, Diamante and Montero Sport 3.0L models.

- Intake Manifold

Listed below is an additional part warranted against defects in materials and workmanship for 7 years or 70,000 miles, whichever occurs first, for the Galant, Eclipse, Diamante, Montero and Montero sport 3.5L models.

- Air Flow Sensor

Listed below is an additional part warranted against defects in materials and workmanship for 7 years or 70,000 miles, whichever occurs first, for all models.

- Fuel Tank

Listed below are additional parts warranted against defects in materials and workmanship for 8 years or 80,000 miles, whichever occurs first, for all models.

- Engine Control Module (including OBD II)
- Transmission Control Module (including OBD II)
- Catalytic Converter(s)
- Onboard Emission Diagnostic Device

"CALIFORNIA" EMISSION WARRANTY

WHAT THE OWNER MUST DO:

It is the owner's responsibility to have the required maintenance performed and use the Vehicle in accordance with MMSA's written instructions. Coverage WILL NOT be denied solely because there is no record of maintenance. However, failures caused by lack of required maintenance are not covered by the warranty. To avoid questions as to whether the vehicle maintenance has been performed, MMSA urges that the owner retain all receipts and/or maintenance records indicating that service has been performed on the vehicle and these receipts and maintenance records should be transferred to any subsequent owner of the vehicle.

SERVICE:

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET OR BY THE OWNER OR BY SOMEONE OF THE OWNERS CHOOSING. HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED MITSUBISHI MOTORS DEALER OR SERVICE CENTER TO BE PERFORMED AT NO CHARGE TO YOU.

PARTS:

IT IS RECOMMENDED THAT ANY REPLACEMENT PARTS USED FOR MAINTENANCE OR FOR THE REPAIR OF THE EMISSION CONTROL SYSTEMS BE NEW, AUTHORIZED MITSUBISHI PARTS.

However, the warranty obligations ARE NOT dependent upon the use of any particular brand of replacement parts. The owner may elect to use non-Authorized Mitsubishi Motors Parts for replacement purposes. Use of replacement parts which are not of equivalent quality to Authorized Mitsubishi Motors Parts may impair the effectiveness of emission control systems.

WHAT IS NOT COVERED:

The Warranty does not cover:

- Malfunction in any part caused by abuse, misuse, alteration, tampering, disconnection or improper or inadequate maintenance.
- Damage to catalytic converters or oxygen sensors due to use of leaded gasoline or any additives.
- Damage resulting from fire, accident, negligence, act of God or other events beyond the control of MMSA.
- Maintenance replacement parts (such as spark plugs) beyond the first scheduled replacement point.
- Incidental or consequential damages such as loss of use of the vehicle, loss of time, inconvenience, expenses for gasoline, telephone, travel or lodging.
- Any vehicle on which the odometer mileage has been altered so that actual vehicle mileage cannot readily be determined.
- Loss or damage to personal property, loss of revenue, commercial loss.
- Damages resulting from a defect in a part not designated by MMSA; see owner rights and obligations above.

EMERGENCY SERVICE:

If emergency emission control system warranty service is required and the owner is unable to readily locate an Authorized Mitsubishi Motors Dealer or Authorized Service Center or if a warranted part is not available within 30 days, then, repairs may be performed at any available service establishment, or by the owner, using any replacement part. MMSA will reimburse the owner for the owner's expenses including diagnostic charges for such emergency repair or replacement at MMSA's suggested retail price for all warranted parts replaced and labor charges based on the MMSA's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. Replaced parts and copies of paid original receipts must be available for presentation to MMSA as a condition of reimbursement for these emergency repairs. In addition, the owner must provide MMSA a detailed description indicating why the situation was considered an emergency and why an Authorized Mitsubishi Motors Dealer or Authorized Service Center was not available. Additional Information may be obtained by calling 1-800-222-0037. A repair not being completed within 30 days constitutes an emergency.

NOTICE TO CONSUMERS / CUSTOMER SATISFACTION**NOTICE TO CONSUMERS**

Mitsubishi Motor Sales of America, Inc. (MMSA) is committed to assuring your satisfaction with your vehicle.

In the event your vehicle does not conform to MMSA's express warranty after a reasonable number of repair attempts, state lemon laws permit owners to obtain a replacement vehicle or a refund of the purchase price under certain circumstances. The provisions of these laws vary from state to state.

To the extent allowed by state law, MMSA requests you first provide us with notification of any such nonconformities so that we may have an opportunity to make any needed repairs before you pursue lemon law remedies. If your concerns remain unresolved, in some states an informal third party dispute resolution mechanism is available. Further, some states require that you utilize the dispute resolution mechanism before exercising your rights or seeking remedies under the state court systems. For further information regarding the availability of a dispute resolution mechanism in your state, please contact MMSA at;

CUSTOMER SATISFACTION

At MMSA, we are proud of quality and workmanship that is built into every MMSA Vehicle. We are equally proud of our corporate commitment to promote the highest possible degree of customer satisfaction with our products and services.

Today's automobiles are extremely complex and are comprised of an enormous number of individual parts. Occasionally, a problem with one of these parts can occur. Should you experience such a problem, we are confident that you will find your Authorized Mitsubishi Motors Dealer or Authorized Service Center prepared to provide you with high quality service repairs. Every Authorized Mitsubishi Motors Dealer or Authorized Service Center has Mitsubishi-trained personnel, plus the tools and equipment necessary to provide for your various service needs. In the event a problem arises, we ask that you follow the procedure outlined on the following pages and in the sequence listed:

Step 1: Contact the Nearest Authorized Mitsubishi Motors Dealer or Authorized Service Center:

This is the most direct and expedient way to obtain service. Authorized Mitsubishi Motors Dealers or Authorized Service Centers have the ultimate responsibility for providing the service and repairs you may need. We recommend that you contact the Dealership Service Advisor or Service Manager for assistance. In the event that you feel additional assistance is required, ask to speak to the Dealership owner. Since it is his or her business, he or she will be very interested in your continued satisfaction and patronage.

Step 2: Contact MMSA's Customer Service Department

After the completion of Step 1 and in the event your Authorized Mitsubishi Motors Dealer or Authorized Service Center has been unable to provide an adequate resolution, contact MMSA's Customer Service Department by calling 1-800-222-0037.

If you choose to write us, please address your correspondence to the following address:

**Mitsubishi Motor Sales of America, Inc.
Customer Service Department
P.O. Box 6400
Cypress, CA., 90630-0064**

Please be sure you include your name, address and telephone number along with your vehicle identification number.

The MMSA's Customer Service Department will be prepared to investigate and provide you with assistance. MMSA employs district management personnel who provide support to the Authorized Mitsubishi Motors Dealer organization. These District Service Managers are trained professionals, knowledgeable in the service and repair of all MMSA Vehicles.

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

MITSUBISHI NEW VEHICLE WARRANTY

MITSUBISHI warrants to the owner of each New 2000 MITSUBISHI passenger car and sport utility vehicle (hereinafter referred to as "Vehicles") that the MITSUBISHI vehicles, and any part of the Vehicles (except batteries, tires and items listed under the headings "OTHERS", "ADDITIONAL COVERAGE" and "WHAT IS NOT COVERED") shall be free, under normal use and maintenance, from defects in material and workmanship, subject to the following terms and conditions:

WARRANTY START DATE

This warranty starts on the date of original retail delivery or original use, whichever occurs first.

OBTAINING WARRANTY SERVICE

To obtain warranty service, you must return your Vehicle to any Authorized Mitsubishi Motors Dealer or Authorized Service Center where such service will be performed without charge for parts and/or labor.

OBTAINING WARRANTY SERVICE IN U.S.

When a Vehicle purchased in the United States territories or possessions is registered in U.S., the Mitsubishi warranty in U.S. will apply. In the event you are temporarily traveling in U.S. (e.g. vacation), the warranty issued with this Vehicle will apply and warranty service will be provided by an Authorized Mitsubishi Motors Dealer in U.S.. Should an Authorized Mitsubishi Motors Dealer charge for warranty repairs, you should obtain a detailed receipt covering the work performed and, upon return home, contact the selling Authorized Mitsubishi Motors Dealer for reimbursement consideration.

BASIC COVERAGE AND TERM

For the first 3 years or 36,000 miles, whichever occurs first, any part of this Vehicle supplied by MITSUBISHI (except batteries, tires and items listed under the headings "OTHERS", "ADDITIONAL COVERAGE" and "WHAT IS NOT COVERED"), which proves defective in normal use will be repaired or replaced by any Authorized Mitsubishi Motors Dealer or Authorized Service Center, using new or remanufactured Authorized Mitsubishi Motors parts.

Note:

Aftermarket parts or accessories not supplied by MITSUBISHI are NOT covered by this warranty.

Upon expiration of the 3 year/36,000 mile Basic New Vehicle Limited Warranty, MITSUBISHI will continue this Limited Warranty to the Powertrain Components and Restraint System Components listed below, up to a maximum of the 60,000 miles within 5 years, from the warranty start date.

POWERTRAIN COMPONENTS:

ENGINE

- Cylinder Block and Internal Parts
- Cylinder Head Assemblies and Gaskets
- Engine Mounts
- Valve Cover
- Timing Belt and Related Parts
- Dual Engine Stabilizers
- Stabilizer Belt and Related Parts
- Oil Pan
- Oil Pump
- Intake Manifold
- Water Pump
- Fuel Pump
- Flywheel or Drive Plate (Including Ring Gear)

TRANSAXLE/TRANSMISSION AND TRANSFER CASE

- Transaxle Case and All Internal Parts, Gaskets and Seals
- Transmission Case and All Internal Parts, Gaskets and Seals
- Transfer Case and All Internal Parts, Gaskets and Seals
- Torque Converter (Including Ring Gear)
- Transaxle, Transmission and Transfer Mounts

OTHER POWERTRAIN COMPONENTS

- Drive Shaft and Axle Shaft Assemblies (Including Constant Velocity Joints)
- Propeller Shaft Assemblies and Yokes (Including Constant Velocity Joints and/or Universal Joints)
- Propeller Shaft Center Bearings
- Axle Housing and All Internal Parts, Gaskets and Seals
- Axle Shaft Bearings
- Differential Carrier Assemblies and All Internal Parts, Gaskets and Seals

RESTRAINT SYSTEM:

- Seat Belt Systems
- Air Bag Systems

COVERAGE APPLICATION

This coverage applies to all owners of this Vehicle during the stated time and mileage limitations. This Limited Warranty applies only to MITSUBISHI vehicles registered and normally operated in the United States, its territories and possessions.

BATTERY

During the first 2 years, with unlimited mileage, a defective original equipment battery will be replaced free of charge. Should the battery fail after 24 months but before the 37th month of service, it will be replaced under warranty at a 50 charge to the customer. A battery that is merely discharged is not considered defective.

OTHERS

The following factory installed items are covered under warranty for 1 year or 12,000 miles, whichever occurs first (excluding normal wear and tear).

- Brakes (Pads, Linings, Shoes)
- Wiper Blades
- Clutch Disc

TIRES

The tires on your new MITSUBISHI Vehicle are warranted independently from this limited warranty by the individual tire manufacturer. The individual tire manufacturer's warranty statement has been provided with your Vehicle. To obtain tire warranty service, you must follow the procedures outlined in the tire warranty statement.

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

ADDITIONAL COVERAGE

Air Conditioners

Authorized Mitsubishi Motors air conditioners (except refrigerant) are warranted by MITSUBISHI for 3 years or 36,000 miles, whichever occurs first, from the warranty start date or the installation date, whichever is later.

Air Conditioner Refrigerant Charge

The air conditioner refrigerant charge is covered for 1 year or 12,000 miles, whichever occurs first. After that, refrigerant charge is only covered as part of warranty covered repair to the air conditioning system.

WHAT IS NOT COVERED

ALTERATION, MISUSE, OR ACCIDENT DAMAGE

Examples are:

- Any vehicle previously declared a total loss and/or transferred or title branded as salvage, due to an accident or other catastrophic event
- Collision, fire, theft, freezing, vandalism, riot, explosion, or objects striking the vehicle
- Misusing the vehicle, such as, but not limited to, driving over curbs, overloading, racing, or using the vehicle as a stationary power source
- Alteration or modification of the vehicle, including, but not limited to, the body, chassis, braking system or other components
- Tampering with the emissions systems or with other parts that affect these systems
- Disconnecting or altering the odometer, where the actual mileage cannot be determined
- Contaminated or improper fuel/fluids
- Damage due to customer-applied chemicals (For example: Abrasive waxes, Polishes, Sealants, etc.)

DAMAGE CAUSED BY USE AND/OR THE ENVIRONMENT

Examples are:

- Air borne fallout
- Industrial fallout
- Chemicals
- Acid rain
- Tree sap
- Bird droppings
- Sand
- Salt
- Stones
- Road hazards
- Hail
- Insects
- Lightning
- Floods

DAMAGE CAUSED BY IMPROPER MAINTENANCE OR FAILURE TO FOLLOW THE RECOMMENDED MAINTENANCE SCHEDULE

The repair of damages which are in fact caused because parts or service used were not those prescribed in this booklet's recommended maintenance schedule.

Maintenance services are not covered under warranty as it is the owner's responsibility to maintain your Vehicle as more fully set forth in, and in accordance with, the maintenance schedules outlined in this booklet.

MAINTENANCE / WEAR

Parts and labor needed to maintain the vehicle and the replacement of parts due to normal wear and tear are not covered by warranty and are the owner's responsibility (unless those costs result from a covered repair).

- Brake pads/shoes
- Clutch disc facings
- Wiper blades
- Lubrication
- Engine tune-ups
- Replacing filters, coolant, or fuses
- Replacing spark plugs (after the first scheduled replacement)
- Cleaning and polishing

25

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

PAINT AND OTHER APPEARANCE ITEMS

Defects in paint, trim or other appearance items are normally noted and corrected during the new vehicle inspection. For your protection, should you find any paint or appearance item which you suspect is defective, advise your Authorized Mitsubishi Motors Dealer without delay, as normal deterioration due to use and exposure is not covered by this warranty.

WARRANTY REPAIR ORDER

If you should have warranty service performed on this Vehicle, you are entitled to receive a copy of the repair order listing the warranty service performed. RETAIN THESE COPIES FOR YOUR RECORDS.

PRODUCTION CHANGES

MITSUBISHI and its Authorized Mitsubishi Motors Dealers reserve the right to make changes in Vehicles sold by them at any time without incurring any obligation to make the same or similar changes on Vehicles previously sold by them.

EMERGENCY ROAD SERVICE/TOWING

Should your MITSUBISHI Vehicle become inoperable due to a warrantable failure during the first 3 years or 36,000 miles, MITSUBISHI will authorize the Vehicle to be towed to the nearest Authorized Mitsubishi Motors Dealer or Authorized Service Center at no charge. Towing will not be covered if your Vehicle is driveable and driving would not pose a safety problem or cause further damage to the Vehicle. Towing will not be covered if your Vehicle is inoperable as a result of an accident, owner abuse, lack of maintenance, or driver error.

Towing beyond the 3 years or 36,000 miles limit for Emergency Road Service will still be considered a covered condition if the problem that caused the need for the tow is still covered under an applicable MITSUBISHI warranty such as for a power train or emission's warranty covered component. Covered towing conditions beyond 3 years or 36,000 miles, whichever occurs first, will be reimbursed by your servicing Mitsubishi Motors Dealer or Authorized Service Center.

OTHER

Incidental or consequential damages such as loss of use of Vehicle, loss of time, inconvenience, expense for gasoline, telephone, travel or lodging, loss or damage to personal property, commercial loss of revenue or other matters not specifically included are not covered.

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

ANTI-CORROSION PERFORATION LIMITED WARRANTY

MITSUBISHI warrants to the owner of each 2000 MITSUBISHI vehicle that any Authorized Mitsubishi Motors Dealer or Authorized Service Center will repair or replace at no charge any body sheet metal panel found to have developed perforation (metal rust-through) due to corrosion in normal use. This warranty begins on the date of original retail delivery or original use, whichever occurs first, and extends for 3 years regardless of mileage. In addition, outer panel rust-through protection coverage is extended as follows:

- New 2000 Vehicles are covered for 7 years or 100,000 miles, whichever occurs first. It is the owner's responsibility under the terms of this warranty to maintain the Vehicle as specified in this booklet and in the Owner's Manual.

Note: This anti-corrosion perforation warranty covers perforation due to corrosion only. Perforation means a rust-through condition, such as an actual hole in a sheet metal panel.

This warranty applies to Vehicles registered and normally operated in the United States territories and possessions.

WARRANTY DOES NOT COVER:

- Corrosion due to accident, damage, abuse, abnormal use, Vehicle alteration or failure to properly maintain this Vehicle
- Payments for loss of use of the Vehicle during warranty repairs
- Surface corrosion, such as that caused by industrial fallout, sand, salt, hail and stones
- Corrosion due to extensive and/or abnormal transportation of corrosive material such as, but not limited to, chemicals, acid, fertilizer
- Corrosion other than perforation (metal rust-through) due to defects in material or workmanship that is otherwise covered by the 3 years or 36,000 miles MITSUBISHI New Vehicle Limited Warranty
- The section titled "OTHER TERMS" stated in the MITSUBISHI New Vehicle Limited Warranty also applies to this limited warranty.

THINGS YOU SHOULD KNOW ABOUT YOUR MITSUBISHI ANTI-CORROSION PERFORATION LIMITED WARRANTY:

REPAIRING YOUR MITSUBISHI VEHICLE

If your Vehicle is damaged and requires sheet metal repair or replacement, be sure anti-corrosion materials are applied to the parts repaired or replaced.

MAINTAINING YOUR MITSUBISHI VEHICLE

Washing:

The best way to preserve your Vehicle's finish and aid in avoiding rust is to keep the Vehicle clean by washing it frequently. Wash the Vehicle only with lukewarm or cold water. Do not wash the Vehicle in the direct rays of the sun, or use strong soap or chemical detergents. Any cleaning agents used should be washed off promptly and not allowed to dry on the finish.

Foreign Material Deposits:

Calcium chloride and other salts, ice melting agents, road oil and tar, tree sap, bird droppings, chemicals from industrial chimneys, acid rain, and other foreign matter may damage the Vehicle finish if left on the painted surfaces. Prompt washing may not completely remove all these deposits. Additional cleaners may be needed. When using chemical cleaners developed for this purpose, be sure they are safe for use on painted surfaces.

Underbody Maintenance:

Corrosive materials used for ice removal and dust control can collect on underbody surfaces. If these materials are not removed, accelerated corrosion can occur on the underbody parts, such as fuel lines, frame, floor pan and exhaust system. At least twice a year, thoroughly flush these materials from the underbody with plain water. Take care to clean any areas where mud and other debris can collect.

Finish Damage:

Any stone chips, fractures or deep scratches in the finish should be repaired promptly. Bare metal will corrode quickly and can develop into a major repair expense. Minor chips and scratches can be repaired with touch-up materials available from your Authorized Mitsubishi Motors Dealer or Authorized Service Center.

27

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

2000 EMISSION CONTROL SYSTEM DEFECT WARRANTY

MITSUBISHI warrants to the owner of each new 2000 MITSUBISHI Vehicle, (1) that the Vehicle, was designed, built and equipped so as to conform at the time of sale to applicable regulations of the National Emission Standards Act, as amended, and (2) the Vehicle is free from defects in material and workmanship at the time of sale which would cause the Vehicle to fail to conform with such regulations for a period of 3 years or 36,000 miles, whichever occurs first.

MITSUBISHI additionally warrants the Engine Control Module, Catalytic Converter(s) and Onboard Emission Diagnostic Device for 8 years or 80,000 miles, whichever occurs first.

Any part of this Vehicle covered under this limited emission defect warranty and which proves to be defective will be repaired or replaced at no charge by any Authorized Mitsubishi Motors Dealer or Authorized Service Center, using new or remanufactured Authorized Mitsubishi Motors Parts. The limited warranty period begins on the date of original retail delivery or original use, whichever occurs first.

This limited emission defect warranty shall not apply to parts other than Authorized Mitsubishi Motors Parts.

2000 EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY

Some states and local jurisdictions have established periodic vehicle inspection and maintenance (I/M) programs to encourage proper maintenance of your Vehicle. If an I/M Program in your area has EPA approval, you may be eligible for MITSUBISHI's performance warranty coverage under the following conditions:

1. The Vehicle has been maintained and operated in accordance with the scheduled maintenance instructions described in this booklet provided with your Vehicle.
2. The Vehicle fails to conform for a period of 2 years or 24,000 miles, whichever occurs first, to the applicable emission standards of the U.S. Environmental Protection Agency, as judged by an EPA approved I/M Test. MITSUBISHI additionally warrants the Engine Control Module, Catalytic Converter(s) and Onboard Emission Diagnostic Device for 8 years or 80,000 miles, whichever occurs first.
3. The failure to conform results, or will result, in the owner of the Vehicle having to bear a penalty or other sanctions, including the denial or the right to use the Vehicle under local, state or federal law.

If all the foregoing conditions are met, MITSUBISHI warrants that any Authorized Mitsubishi Motors Dealer or Authorized Service Center will replace, repair or adjust to MITSUBISHI's specifications at no charge, any of the components listed below or parts thereof, which may be necessary to cause your Vehicle to conform to the applicable emission standards. Parts "Certified to EPA Standards" shall be covered by this performance warranty. This performance warranty period begins on the date of original retail delivery or original use, whichever occurs first.

28

EMISSION WARRANTY PARTS

- Multiport Fuel Injection System
- Electronic Spark Control
- Timing Advance/Retard System
- Evaporative Emission Canister, Evaporative Emission Liquid Separator and Controls
- Positive Crankcase Ventilation Valve
- Induction Control Valve Assembly
- Exhaust Gas Recirculation Valve and Control System
- Catalytic Converters
- Fuel Tank Filler Tube and Cap
- Hoses, Clamps, Brackets, Pipes, Gaskets, Belts, Seals and Connectors used in the above systems
- Vacuum, Temperature, Altitude, Speed and Time Sensitive Valves and Switches for the above systems
- Any other components necessary to assure conformity

If failure of one of these components results in failure of another part, both will be covered by the performance warranty.

WHAT IS NOT COVERED

- Noncompliance caused by defective replacement parts not certified in accordance with aftermarket parts certification regulations.
- Noncompliance caused by the use of replacement parts not equivalent to original equipment parts.

Other provisions specified under the "WHAT IS NOT COVERED" section in the New Vehicle Limited Warranty are also applicable to this warranty.

THE EMISSION CONTROL SYSTEM DEFECT WARRANTY AND THE EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Conditions resulting from contaminated fuel, misuse, improper adjustments, modifications, accidents, alterations, tampering, acts of God, improper or inadequate maintenance, or failure to use recommended fuel
- The replacement of maintenance parts used in regular maintenance services
- Loss of time, inconvenience, loss of use of the Vehicle, or other consequential damages
- Any Vehicle on which the odometer reading has been changed so that mileage cannot be readily determined.

MITSUBISHI does not authorize any person to create for it any other obligations or liability in connection with these systems. These warranties are in addition to MITSUBISHI's New Vehicle Limited Warranty for 2000 Vehicles.

U.S. territories and possessions (Except Puerto Rico and U.S. Virgin Islands)

THINGS YOU SHOULD KNOW ABOUT BOTH THE EMISSION CONTROL SYSTEM DEFECT WARRANTY AND THE EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY

The emission control system of your new 2000 MITSUBISHI Vehicle was designed, built and tested using Authorized Mitsubishi Motors Parts and the Vehicle is certified as being in conformity with applicable emission regulations. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new or remanufactured Authorized Mitsubishi Motors Parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PART. THE OWNER MAY ELECT TO USE NON-AUTHORIZED MITSUBISHI MOTORS PARTS FOR REPLACEMENT PURPOSES. THE USE OF REPLACEMENT PARTS WHICH ARE NOT EQUIVALENT MAY IMPAIR THE EFFECTIVENESS OF EMISSION CONTROL SYSTEMS.

If other than Authorized Mitsubishi Motors Parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should determine that such parts are warranted by the manufacturer to be equivalent to Authorized Mitsubishi Motors Parts in performance and durability.

MAINTENANCE REPLACEMENT OR REPAIR OF THE EMISSION CONTROL DEVICES AND SYSTEMS MAY BE PERFORMED BY ANY QUALIFIED AUTOMOTIVE REPAIR ESTABLISHMENT OR INDIVIDUAL USING ANY PART CERTIFIED PURSUANT TO APPLICABLE EMISSION REGULATIONS; HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED MITSUBISHI MOTORS DEALER OR AUTHORIZED SERVICE CENTER.

Claims under the Emission Control Systems Performance Warranty may not be denied due to the failure of a properly installed certified non-Authorized Mitsubishi Motors Part.

Receipts covering the performance of maintenance services should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this Vehicle. MITSUBISHI reserves the right to deny warranty coverage if the Vehicle has not been properly maintained. However, denial will not be based solely on the absence of maintenance records.

These warranties apply only to Vehicles manufactured to United States specifications and registered and normally operated in the United States territories and possessions. Vehicles manufactured to other specifications or registered and normally operated elsewhere, shall be entitled to service of emission control systems on the basis of the warranty applicable to such other country.

To obtain warranty service under these warranties, the owner should return the Vehicle

to an Authorized Mitsubishi Motors Dealer's or Authorized Service Center's place of business where such service will be performed at no charge for parts and labor. If an owner's warranty claim under the 2000 Emission Control Systems Performance Warranty is denied, MITSUBISHI will provide the owner with a written explanation of why the claim was denied within 30 days unless a shorter time period is required by law. Failure to provide an explanation within the required period may obligate MITSUBISHI to remedy the nonconformity under the Emission Control Systems Performance Warranty except:

- * When delay is requested by the vehicle owner.
 - * When delay is caused by factors beyond the control of MITSUBISHI or Authorized Mitsubishi Motors Dealers or Authorized Service Centers.
- Further information can be obtained from and complaints registered with:
Manager, Vehicle Compliance Programs Group

Vehicle Programs and Compliance Division
Environmental Protection Agency
401 "M" Street, S.W.
NMS-6405J
Washington, D.C. 20460

NOTE:

"New or Remanufactured Authorized Mitsubishi Motors Parts" when used in connection with MITSUBISHI Vehicles, means parts manufactured by or approved by MITSUBISHI, designed for use on MITSUBISHI Vehicles and distributed by MITSUBISHI or any division or subsidiary of MITSUBISHI.

IF YOU HAVE ANY QUESTIONS

MITSUBISHI and Authorized Mitsubishi Motors Dealers are vitally interested in your satisfaction with our products and service.

In the event a warranty or any other matter is not handled to your satisfaction, please discuss the matter with your Mitsubishi Motors Dealer Management.

Service precautions

Vehicle maintenance is an important yet frequently neglected item. Proper maintenance will aid in retaining the level of performance that has been engineered into your Mitsubishi vehicle and it will guard against major repair expenses resulting from neglect. Good maintenance is a great way to protect your investment and ensure proper performance.

Your Mitsubishi Motors Dealership is in the best position to provide proper maintenance service through Mitsubishi's exclusive "Triple Diamond Service".

- Factory Trained Technicians
- Advanced Diagnostic Equipment
- Quality Workmanship
- Mitsubishi Genuine parts
- Mitsubishi Authorized Accessories
- Competitive Prices
- Fast Service
- Commitment to Customer Satisfaction

Selecting the proper maintenance schedule

There are two maintenance schedules that show proper service for your vehicle.

First is "**Regular maintenance schedule**".

Follow the Regular maintenance schedule only if none of the driving conditions in the Severe maintenance section apply.

Second is "**Severe maintenance schedule**".

Follow the severe maintenance schedule only if your vehicle is frequently driven under one or more of the following road conditions.

- Driving on dusty, rough, muddy or salt-spread roads
- Towing or police, taxi or commercial operation
- Extensive idling and /or low speed operation
- Repeated short-trip operation at freezing temperatures (engine not thoroughly warmed up)
- Extended use of brakes while driving
- Driving in sandy areas
- More than 50% operation in heavy city traffic during hot weather above 90°F (32°C)

CALIFORNIA, MASSACHUSETTS and VERMONT ONLY:
Regular and Severe Maintenance Schedules- It is recommended, but not required, to replace the timing belt and balancer belt (if equipped on your vehicle) at 60,000mile intervals.

Emission control system maintenance

The "scheduled" maintenance services, listed in **bold type** must be done at the times or mileages specified to assure the continued proper functioning of the emission control system. These, and all other maintenance services included in this manual, should be done to provide best vehicle performance and reliability. More frequent maintenance may be needed for vehicles in severe operating conditions such as dusty areas and very short trip driving. Inspection and service also should be done any time malfunction is suspected.

Service station checks

The following items should be inspected by either you or a service station attendant each time fuel is added:

- Engine oil level. Add if needed. Check Owner's Manual-See index and look under Engine Oil for detailed information.
- Engine coolant level. Add coolant to reservoir tank along with the proper mix if needed. Replace coolant if dirty or rusty in color. Check Owner's Manual-See index and look under Coolant for detailed information.
- Windshield washer fluid level. Add fluid to washer tank if necessary.
- Tire inspection. Inspect for unusual tire wear and proper inflation. Check Owner's Manual-See index and look under Tire for detailed information.

Regular maintenance schedule

The content and mileage interval can vary depending on model.

● 7,500 Miles (12 000 km) or at 12 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 60,000 Miles (96 000 km)

- ☐ Replace air cleaner filter.
- ☐ Replace spark plugs, standard type.
- ☐ Replace spark plugs, platinum-tipped type.
- ☐ Replace timing belt.*¹
*¹: For California, Massachusetts and Vermont this maintenance is recommended but not required.
- ☐ Check drive belts condition (for the generator, water pump, power steering pump).
- ☐ Check manual transaxle oil level.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 60,000 Miles (96 000 km) or at 48 months

- ☐ Check fuel hoses condition.
- ☐ Replace engine oil filter.*²
*²: If the mileage is less than 7,500 miles (12 000 km) each year, the oil filter should be replaced at every oil change.
- ☐ Check automatic transaxle fluid level.
- ☐ Change engine coolant.
- ☐ Inspect disc brake pads for wear.
- ☐ Inspect rear drum brake linings and rear wheel cylinders (except vehicles with disc brakes) for wear and leaks of all wheels.
- ☐ Check brake hoses for deterioration or leaks.
- ☐ Inspect ball joint and steering linkage seals for grease leaks and damage.
- ☐ Inspect drive shaft boots for grease leaks and damage.
- ☐ Check and service exhaust system as required (connection portion of muffler, muffler pipes and converter heat shields).

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 60,000 Miles (96 000 km) or at 60 months

- ☐ Check fuel system for leak (tank, pipe line and connection, and fuel tank filler tube cap).
- ☐ Check evaporative emission control system for leaks and clogging (except evaporative emission canister).
- ☐ Replace ignition cables.
- ☐ Check distributor cap and rotor.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 60,000 Miles (96 000 km) or at 96 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 67,500 Miles (108 000 km) or at 108 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 75,000 Miles (120 000 km) or at 60 months

- ☐ Replace engine oil filter.*¹
*¹: If the mileage is less than 7,500 miles (12 000 km) each year, the oil filter should be replaced at every oil change.
- ☐ Check automatic transaxle fluid level.
- ☐ Inspect disc brake pads for wear.
- ☐ Check brake hoses for deterioration or leaks.
- ☐ Inspect drive shaft boots for grease leaks and damage.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 75,000 Miles (120 000 km) or at 120 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 82,500 Miles (132 000 km) or at 132 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 90,000 Miles (144 000 km)

- ☐ Replace air cleaner filter.
- ☐ Replace spark plugs, standard type.
- ☐ Check drive belts condition (for the generator, water pump, power steering pump).
- ☐ Check manual transaxle oil level.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 90,000 Miles (144 000 km) or at 72 months

☐ Check fuel hoses condition.

☐ Replace engine oil filter.*¹

*¹: If the mileage is less than 7,500 miles (12 000 km) each year, the oil filter should be replaced at every oil change.

- ☐ Check automatic transaxle fluid level.
- ☐ Change engine coolant.
- ☐ Inspect disc brake pads for wear.
- ☐ Inspect rear drum brake linings and rear wheel cylinders (except vehicles with disc brakes) for wear and leaks of all wheels.
- ☐ Check brake hoses for deterioration or leaks.
- ☐ Inspect ball joint and steering linkage seals for grease leaks and damage.
- ☐ Inspect drive shaft boots for grease leaks and damage.
- ☐ Check and service exhaust system as required (connection portion of muffler, muffler pipes and converter heat shields).

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 90,000 Miles (144 000 km) or at 144 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 97,500 Miles (156 000 km) or at 156 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 100,000 Miles (160 000 km)

☐ Replace timing belt.*²

*²: Not required if belt was previously changed.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 105,000 Miles (168 000 km) or at 84 months

☐ Replace engine oil filter.*¹

*¹: If the mileage is less than 7,500 miles (12 000 km) each year, the oil filter should be replaced at every oil change.

- ☐ Check automatic transaxle fluid level.
- ☐ Inspect disc brake pads for wear.
- ☐ Check brake hoses for deterioration or leaks.
- ☐ Inspect drive shaft boots for grease leaks and damage.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 105,000 Miles (168 000 km) or at 168 months

- ☐ Change engine oil.
- ☐ Rotate tires.
- ☐ Replace air purifier filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 120 months

- ☐ Inspect SRS*² airbag system.

*²: Supplemental Restraint System

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

Severe maintenance schedule

The content and mileage interval can vary depending on model.

● 3,000 Miles (4 800 km) or at 3 months

- ☐ Change engine oil.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 6,000 Miles (9 600 km) or at 6 months

- ☐ Change engine oil.
☐ Replace engine oil filter.
☐ Inspect disc brake pads for wear.
☐ Rotate tires.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 9,000 Miles (14 400 km) or at 9 months

- ☐ Change engine oil.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 12,000 Miles (19 200 km) or at 12 months

- ☐ Change engine oil.
☐ Replace engine oil filter.
☐ Inspect disc brake pads for wear.
☐ Rotate tires.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 15,000 Miles (24 000 km)

- ☐ Replace air cleaner filter.
☐ Replace spark plugs, standard type.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 15,000 Miles (24 000 km) or at 12 months

- ☐ Check automatic transaxle fluid.
☐ Inspect rear drum brake linings and rear wheel cylinders (except vehicles with disc brakes) for wear and leaks of all wheels.
☐ Check brake hoses for deterioration or leaks.
☐ Inspect drive shaft boots for grease leaks and damage.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 15,000 Miles (24 000 km) or at 12 months

- ☐ Change engine oil.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 18,000 Miles (28 800 km) or at 18 months

- ☐ Change engine oil.
☐ Replace engine oil filter.
☐ Inspect disc brake pads for wear.
☐ Rotate tires.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 21,000 Miles (33 600 km) or at 21 months

- ☐ Change engine oil.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 24,000 Miles (38 400 km) or at 24 months

- ☐ Change engine oil.
☐ Replace engine oil filter.
☐ Inspect disc brake pads for wear.
☐ Rotate tires.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

Maintenance

● 27,000 Miles (43 200 km) or at 27 months

- ☐ Change engine oil.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 30,000 Miles (48 000 km)

- ☐ **Replace air cleaner filter.**
- ☐ **Replace spark plugs, standard type.**
- ☐ Check drive belts condition (for the generator, water pump, power steering pump).
- ☐ Change manual transaxle oil.
- ☐ Change automatic transaxle fluid.
- ☐ Change automatic transaxle external oil filter.

MILEAGE/ MONTHS	DEALERSHIP NAME/CODE	DATE	REPAIR ORDER #

● 30,000 Miles (48 000 km) or at 24 months

- ☐ **Check fuel hoses condition.**
- ☐ Change engine coolant.
- ☐ Inspect rear drum brake linings and rear wheel cylinders (except vehicles with disc brakes) for wear and leaks of all wheels.
- ☐ Check brake hoses for deterioration or leaks.
- ☐ Inspect ball joint and steering linkage seals for grease leaks and damage.
- ☐ Inspect drive shaft boots for grease leaks and damage.
